Dear Professionals,

We feel immense pleasure in inviting you to the Two Days National Seminar on **“Revamping of Academic Libraries for Next Generation”** to be held on 30 November & 1 December 2018 at Jalgaon-425001. (Maharashtra) Organized by KBC North Maharashtra University Sectional Council, Jalgaon, Maharashtra University and College Librarians Association (MUCLA) in Collaboration with Indian Library Association (ILA), New Delhi

Academic Libraries are playing pivotal role in the institutes running in higher education. In this digital as well as electronic era also we professionals collectively have to setup libraries strongly as an integral part of Teaching-Learning process. It is a high time that we must think and consider the requirements and expectations of stack-holders of future generation from the libraries in higher education. Maharashtra University and College Librarians Association has decided to provide the common academic platform for the library professionals in collaboration with Indian Library Association, New Delhi to discuss these points in the form of this conference.

### **ABOUT MUCLA**

The Maharashtra University and College Librarians Association is established in the year 2012 and registered under Trade Union Act 1926 on dated 3<sup>rd</sup> May 2014 to discuss the professional issues collectively from the common platform. MUCLA has its head quarter at Jalgaon. For details you may refer the association's web site having URL [www.mucla.in](http://www.mucla.in). Till date the association has attempted to solve many issues of librarians through correspondence or by discussion with the Government. It is a great pleasure to inform you all that in many cases we succeed in large extent.

### **ABOUT ILA**

The Indian Library Association is established on 22<sup>nd</sup> September 1933 under the societies Registration Act (XXI of 1860). It is the largest association of library professionals in India having its head quarter is at Delhi. Its contribution is much more significant in academic as well as professional issues of all kinds of libraries.
