Dear Sir/ Madam,

We feel immense pleasure to invite you to the 6th National Conference on '**National Education Policy 2020 and Libraries**' to be held on 18-19 March, 2023 at Nashik (Maharashtra) 422003. It is organized by Savitribai Phule Pune University Sectional Council, Pune, Maharashtra University and College Librarians Association (MUCLA) in Collaboration with the Central Council, MUCLA.

## About MUCLA

**The Maharashtra University and College Librarians Association (MUCLA)** was established in the year 2012 and registered under Trade Union Act 1926 on 3rd May 2014 to discuss the professional issues collectively from the common platform. MUCLA has its headquarter at Jalgaon. For details, you may refer to the association's web site having URL [www.mucla.in](http://www.mucla.in). Till date, the association has attempted to solve many issues of librarians through correspondence or by a discussion with the Government. It is a great pleasure to inform you all that in many cases we have succeeded to a larger extent. The association works on three levels, viz. Sectional Council, Executive Council and Central Council. The association and its associated councils conduct various activities, conferences and invite proposals for various awards from the LIS fraternity.

## About SPPU Sectional Council, Pune MUCLA:

The SPPU Sectional Council, Pune MUCLA was established in 2018. It has organized several events, workshops for the Library professionals. The council has taken initiatives to create an e-content repository for the students of SPPU and its constituent colleges in Covid19 lockdown period. The council communicates the issues to the concerned authorities for the betterment of the library profession.

## About NEP 2020

New Education Policy 2020 (NEP 2020) was approved by the Union Cabinet of India on 29 July 2020. The NEP 2020 outlines the vision of the new education system of India. The policy is drafted under the chairmanship of ISRO Chief Dr. K Kasturirangan for betterment of the Indian education system. The NEP 2020 replaced the existing educational policy (National Policy on Education 1986) of India which was implemented in 1986. The policy provides a framework for elementary education till higher education which includes vocational training.

NEP 2020 is built on the foundational pillars of Access, Equity, Quality, Affordability and Accountability. This policy is aligned to the 2030 agenda for Sustainable Development and aims to transform India into a vibrant knowledge society and global knowledge superpower by making both school and college education more holistic, flexible, multidisciplinary, suited to 21st century needs and aimed at bringing out the unique capabilities of each student.

## About the Conference:

Libraries are considered as the heart of educational institutions, they support classroom teaching by providing a variety of services to students and teachers. Tremendous changes proposed in the higher education system may pose a variety of challenges for libraries in future. We as LIS professionals need to be ready to face these challenges and be ready to change our libraries accordingly. In view of the NEP 2020 context, MUCLA is organizing this academic interaction, where LIS professionals across the country will discuss the issues. We invite you to participate in this very important discussion.
